The local real estate market was again active yesterday, and as a result several big deals were made. The largest was a deal whereby a large tract of land at Brook and Magnolia streets, formerly owned by the Kentucky Distilleries and Warehouse Company, became the property of James P. Overbacker, of the O. K. Stove and Range Company. The trade was effected through the agency of J. C. Hale, acting as salesman for the Thomas Robinson to Mary K. Peterson, 3 lots in Lewis addition, O. Embraces Large Area.

The property purchased by Mr. Overbacker at Brook and Magnolia streets yesterday embraces a large area. It is bounded by Brook street, extending north from Magnolia street, and 845 feet on Brook street, extending north from Magnolia street. Included in the deal is a lot formerly owned by 200 feet on the southeast corner of First street and Magnolia street. The consideration involved in the transaction was \$47,500.

These holdings were all originally owned by the old Crystal Springs Distillery Company, which was acquired by the Kentucky Distilleries and Warehouse Company several years ago. Immediately following the big distillery combine in this section, all of the buildings and plant of the old Crystal Springs Distillery were sold to the new company. The property is still without any buildings and it is officially announced that the new owner intends to subdivide it and place it on the market for building purposes through the Bohannon Company.

Blugrass Land.

Another good sale completed yesterday is announced by Buchanan & Son, local realty brokers. They disposed of a valuable tract of blugrass land situated just west of the new Country and Golf clubs on the Prospect line, running up the river, embracing fifty acres, given to the property by P. P. Hurston and was sold to Alexander Gilmour. The actual consideration involved was \$14,000, but the property has been valued at \$14,000 and probably sold for that amount. It is the property of the new owner to erect a handsome building for the purpose. Buchanan & Son also sold yesterday Mr. Gilmour's fine country place called "Calhoun."

AERONAUT MIX ANSWERS PROTEST.

BALLOON WAS PULLED DOWN IN UNKNOWN TOWN.

WENT ON HIS WAY AS SOON AS HE COULD.

COURTS AN INVESTIGATION.

Berlin, Oct. 8.—Edward Mix, the American aeronaut, leader of the Gordon Bennett Trophy in the balloon race which started from Zurich last Sunday, arrived here to-day from Ostrolo, Russia, Poland. He was dined by James O'Hara Murray and left for Paris to-night.

While in Berlin Mr. Mix received a telegram informing him that a protest had been lodged against his record, claiming the winner of the Bennett Trophy on the ground that he had made a landing with the America II before he finally came down in the forest of Gutay.

"This protest," said Mr. Mix, "probably is founded on an incident which happened at some place, the name of which is unknown to me, about thirty miles northeast of Prague. We had been flying over the ground, and below the clouds, through which we had been sailing, when suddenly the guide rope of the balloon broke and the balloon fell to the ground. The guide rope could not make out the dimensions of the place because of a thick fog."

Mr. Mix said he desired to have the committee make the fullest investigation of the incident. He said he was detained by them for twenty-four hours, when his release was ordered by telegram from St. Petersburg or Warsaw. The America II came on the same train with Mr. Mix to the Russian front, where it was taken to a shelter for train for Paris. It was not damaged in the fog.

Mr. Mix and his wife, who was with him, were taken to a hotel and stayed there for several days. The French aeronauts and Pierre Meyer, the distinguished German balloonist, attended Mr. Murray's dinner. The trip to Paris was made by the American ship for Paris.
